Subject No. 465.

Kartika crops to be raised on lands commanded by the new channel of Mayasandra tank.

Mr. Krishna Iyengar of Mayasandra.

Summary of discussion.—Though the capacity of Mayasandra tank was increased, the lands thereunder suffered last year for want of water, on account of new lands being brought under cultivation. No water should be allowed to the new lands or allowed only for the Kartik crop.

Reply of Government.—The Revenue Commissioner will be asked to report.

Subject No. 466.

Water-supply in Maddagiri, Chowdenahalli and other villages.

Mr. Srikantaiya, Maddagiri Taluk.

Summary of discussion.—The tank supplying water to Maddagiri, Chowdenahalli and other villages is long out of repairs. It was personally brought to the notice of His Highness and the Dewan during their tours; but no action has yet been taken in the matter.

Reply of Government.—This will be enquired into by the Deputy Commissioner and a report submitted.

CHITALDRUG DISTRICT.

Subject No. 467.

Change of Civil jurisdiction over Davangere Taluk from Honnali Munsiff's Court to a separate Munsiff's Court to be established at Harihar.

Mr. C. Somanna, Taluk Member, Davangere & Mr. J. Kesavanaik Muncipal Member, Harihar.

Summary of discussion.—The Civil jurisdiction over Davangere Taluk being vested in the Munsiff's Court at Honnali, the parties going to the Court from Davangere Taluk are subjected to much inconvenience as they have to pass through jungle tracts and cross the Tungabhadra river on their way. It is therefore requested that a Munsiff's Court may be established at Harihar which is only 8 miles by rail from Davangere, a place of much business.

Mr. M. Shadaksharappa proposes the location of a Munsiff's Court at Davangere as represented in previous years.

Reply of Government.—This can not be done. There is no necessity for a Munsiff in Davangere.

Subject No. 468.

Water tap to Harihar travellers' bungalow.

Mr. Srinivasa Rao, Taluk Member, Harihar.

Summary of discussion.—The travellers' bungalow at Harihar though a first class one is not provided with any sort of water convenience. A water tap may be put up in the compound of the bungalow drawn from the pipe line of the Railway station.

Reply of Government.—This water is not Government property. The question has to be settled by the Municipal Board in consultation with Railway authorities.

Subject No. 469.

Construction of a musafirkhana near Harihar Railway station.

Mr. Srinivasa Rao, Taluk Member, Harihar.

Summary of discussion.—The desirability of constructing a musafirkhana near the Railway station at Harihar exclusively for the use of non-Brahmins was brought to the notice of Government in Subject No. 291 of 1903 and the same was referred to the District Board for consideration. The work may be ordered to be executed accordingly with water convenience near it.

Withdrawn.—(Provision having been made in the current year's State Budget for the construction of a musafirkhana at Harihar.)
